Subject: Response to Office Action Summary of December 13, 2005
Patent Application Number 10/737,330

Dear Mr. Hawk,

Thank you for your recent Office Action Summary. Enclosed are currently amended claims regarding the subject. In response to your claims rejections:

1. All references to "motor brake" are deleted.
2. Claims now distinctly point-out the matter which I regard as my invention.
3. Claims now clearly differentiate my invention from the prior art.

I request continuation of the proceedings, and hope that my application is acceptable and may issue as a patent.

Please notify me if there are questions. Thank you.

Sincerely,

Michael A. Zerillo
